News and Events

Baptism

So some of you have been talking a bit about getting baptised and we wanted to give the heads up on what it's all about!

When you get baptised you get fully dunked under the water. (yup, totally wet!) It's an action but it has meaning! It shows publicly that your old life is now dead and you're beginning a new life in God.

It shows you're sorry for the stuff in your life that doesn't glorify God. Getting baptised is a way of showing everyone what has happened inside between you and God and a commitment to live a new life with Jesus help each day.

You see, you shouldn't care what people think of you. You shouldn't get uptight that your parents, mates or family are watching. This is about you and God and a step you're taking. Go on guys, take a risk. Go for it. It'll be worth it!

Read Acts 2:38, Matthew 28:19
